# IABC Bali Branch Membership Application/Registration

## INDONESIA AUSTRALIA BUSINESS COUNCIL

The Indonesia Australia Business Council (IABC) is a business association representing private sector business interest in commercial relations between Indonesia and Australia.

Established in 1989, the IABC is a result of the merger between DKSPIA or Dewan Kerjasama Pengusaha Indonesia Australia (Association of Indonesia and Australian Businessmen) and the Australian Chamber of Commerce in Indonesia (AustCham). The two major business groups had operated in Indonesia for 15 years before the merger.

The IABC works very closely with the Indonesian Government, the Australian Embassy in Jakarta, and the Indonesian Chamber of Commerce and Industry (Kadin Indonesia). This allows the IABC to represent the business and commercial interest of Indonesian and Australian businesses engaged in investment and bilateral trade, through to Government levels.

The IABC is managed by an Executive Board elected by the membership. The Executive Board is supported by a National Secretariat which is run by a professional team headed by an Executive Director. The IABC has Branches in Central Java (Semarang), East Java (Surabaya), Yogyakarta and Bali.

### IABC MISSION STATEMENT

The mission of the Indonesia Australia Business Council is to provide a convivial networking organization for companies, organisations and business people of all nationalities involved or interested in business between Indonesia and Australia. The IABC focuses on:

1. Enhancing Indonesia Australia business links and fostering friendship between the communities of each nation.
2. Communicating investment and business opportunities in both Indonesia and Australia
3. Providing a forum to accommodate all types of business
4. Serving as a lobby group to further the business interests of members
5. Serving as a consultative body to governments, industrial sectors and the chambers of commerce and industry
